Please note: Like all businesses and organizations, the Wythe Arts Council is looking closely at our bottom line and investigating opportunities for the best use of our fundraising dollars and the communities' donations. The Patron's Party has grown into a significant expense. Accordingly, the Council has decided to not schedule a party for the 2015 festival season at this time. For our sponsors, we have *increased the advertising this year*. **The focus of all donations should be for the sole purpose of maintaining an admission free festival for the citizens of our community.** The Board is keeping that focus at the forefront as we revamp and modify festival activities.
