

Wythe Arts Council Presents Festival of Trees

There is nothing wrong with a little friendly holiday competition.

We invite you and/or your organization to be part of Wythe Arts Council's annual Festival of Trees. This event features beautifully decorated Christmas trees and displays provided by local individuals, businesses, and organizations. This popular event will now last one full week with trees on display beginning with opening night gala on Friday, December 1st, and open to the public Saturday, December 2nd through Saturday, December 9th at the Heritage Preservation Center (115 W. Spiller Street). We invite the residents of Wytheville to view the trees and vote for their favorite in each category (Individual, Commercial, and Civic/Religious).

All proceeds from the Festival of Trees will go to benefit our 2018 Chautauqua Festival. Anyone is eligible for participation with the Best in Show winner receiving a cash prize. Business or Organization logos are acceptable.

Please show your support for the Chautauqua Festival as well as your Christmas spirit and return your enclosed entry form by November 27, 2017.

We thank you in advance for your support of the Chautauqua Festival and look forward to seeing the beautiful entries in December. For more information or any questions, please call the Festival of Trees Coordinator Shane Terry at 646-298-8861.

Sincerely,
Wythe Arts Council
